

NORTHSTAR COLLEGE

Fee Guide

Tuition, due dates, payment methods, late fees, refunds, and scholarships

FICTIONAL CLASSROOM DATA - NOT AN OFFICIAL COLLEGE POLICY

Knowledge-base ID: NSC-FEE-DEMO-2026

Academic year: 2026-27

Version: 1.0

Created only for the College AI Assistant RAG lab. All names, dates, amounts, contacts, and rules in this file are invented for learning.

1. Purpose and scope

This guide contains fictional fee information for the 2026-27 academic year. Amounts are in Indian rupees (INR) and are provided only so students can test fee-related retrieval. The guide is not an invoice and does not show any student's balance.

Financial-record boundary: the AI assistant may explain this schedule, but it cannot confirm whether an individual payment has been received or whether a student has an outstanding balance.

2. Tuition by programme

Programme	Tuition per semester	Student services fee	Total before optional charges
B.Tech CSE	INR 95,000	INR 6,000	INR 101,000
B.Sc Data Science	INR 72,000	INR 6,000	INR 78,000
BBA	INR 65,000	INR 6,000	INR 71,000

Tuition due dates

- Odd-semester tuition is due by 5:00 p.m. on 10 August 2026.
- Even-semester tuition is due by 5:00 p.m. on 10 January 2027.
- A payment is treated as received when the college payment gateway records a successful transaction ID.

3. Payment methods and receipts

- Preferred: student portal payment gateway using UPI, net banking, or an eligible debit/credit card.
- NEFT/RTGS: include the student application number in the payment reference and upload proof within two working days.
- Cash is not accepted at the Accounts Office in this fictional policy.
- An electronic receipt is normally available in the student portal within 30 minutes of a successful gateway payment.

Installment plan

A student may apply for a two-part tuition installment plan at least seven calendar days before the due date. If approved, 60 percent is due on the normal deadline and 40 percent is due 30 calendar days later. The student services fee must be paid fully with the first installment.

Late payment

A late fee of INR 250 per calendar day applies from the day after the due date. The late-fee total is capped at INR 5,000 for one semester. Students with an approved installment plan are assessed against each installment deadline. A pending scholarship application does not automatically pause late fees unless the Financial Aid Office records a temporary hold.

The assistant should calculate only simple examples when the user supplies the number of late days. The official payable amount must always come from the authenticated student portal.

4. Refund schedule

Refunds are calculated on tuition only. The student services fee and payment-gateway charges are non-refundable after registration is confirmed.

Approved withdrawal timing	Tuition refund
Before the first teaching day	100 percent, less an INR 1,000 processing charge
Teaching days 1-10	80 percent
Teaching days 11-20	50 percent
After teaching day 20	No tuition refund

5. Scholarships and aid

- Merit scholarship: 25 percent tuition waiver for eligible students ranked in the top 5 percent of their programme after annual review.
- Need-based aid: up to 40 percent tuition support after document verification by the Financial Aid Office.
- Only one institutional tuition waiver is applied at a time; the higher approved value is used unless an award letter states otherwise.
- A scholarship applies to tuition, not to hostel, transport, examination, student services, or refundable deposits.

Scholarship review dates

- Continuing students: submit renewal documents by 15 July 2026.
- New students: submit documents within ten calendar days of the admission offer.

6. Other charges

Item	Fictional amount	When charged
End-semester examination fee	INR 1,500	Once per regular semester
Backlog examination fee	INR 750 per course	When a backlog exam is registered
Hostel (standard shared room)	INR 48,000 per semester	Optional; subject to allocation
Transport	INR 18,000 per semester	Optional; selected route
Refundable library deposit	INR 5,000	One time at admission

7. Fee questions and escalation

- For payment status, failed transactions, or receipt correction: contact the Accounts Office with the transaction ID.
- For scholarship eligibility or a temporary payment hold: contact the Financial Aid Office.
- For a refund request: submit the withdrawal approval and refund form through the student portal.

8. Safe answers for the AI assistant

The assistant may explain the published fictional amounts, due dates, refund bands, and process. It must not state that a payment has cleared, a scholarship is approved, a refund has been issued, or a balance is correct because those claims require authenticated financial systems.

Demo contact: Accounts Help Desk, accounts-help@northstar.example. This address is fictional and must not be used for real communication.
